## PRO ACT TRAINING AT PSEA FOR CLASSIFIED STAFF

Pro Act Training dates and times:

Friday, March 26th 8:00am-4:00pm

Friday, April 2nd 8:00am-4:00pm

Friday, April 9th 8:00am-2:00pm

Employees **must commit** to attending all 3 days and cannot arrive late nor leave early. Substitutes and additional hours (above normally contracted work week) will be paid via timesheet. More information will be communicated to employees and site administrative assistants once the employee registers for the class.

Pro Act is Professional Assault Crises Training, the restraint prevention curriculum that Poway Unified School District has chosen to implement throughout our District. Pro-ACT devotes more time than any other training program to crisis prevention, not crisis response. Pro-ACT's attention to reducing the potential for crisis is consistent with an objective of developing staff and increasing safety while reducing the use of restraint. For more details on the program itself, please click on this link: <https://proacttraining.com/>

PSEA is actively monitoring the incidence of Coronavirus Disease (COVID-19) in our region. We have been asked how COVID-19 may impact upcoming events including Pro Act. PSEA is following guidance from local health departments and the Centers for Disease Control and Prevention (CDC) regarding large gatherings, including [CDC recommendations](#) on preventing the spread of COVID-19.

If you feel would benefit by having this training, please send an email to Tania Rowe at [Taniarowe@powaysea.org](mailto:Taniarowe@powaysea.org) or call (858) 842-4980 x 103 as soon as possible. Classes fill up quickly so don't delay in registering if you are interested.
