AFTER APRIL 2019

**“How did it get so
late so soon?”
-Dr. Seuss**

Where did April go? While I love the month of May, I find this year that I am just not quite ready for it to start.....as such, please accept this version of "After April" 2019 Learning Letter.

Hello May - wishing everyone a month full of color and flowers! Remember: Mother's Day 5/12.

Pro Act is Professional Assault Crises Training, the restraint prevention curriculum that Poway Unified School District has chosen to implement throughout our District. Pro-ACT devotes more time than any other training program to crisis prevention, not crisis response. Pro-ACT's attention to reducing the potential for crisis is consistent with an objective of developing staff and increasing safety while reducing the use of restraint.
