Dear Team PUSD,

We know many of our staff and families are experiencing hardships and inconveniences. We also know these closures are putting students, staff, and families in difficult situations and decisions. We are also encouraged by the many efforts we are hearing in our PUSD community about friends and neighbors reaching out and helping one another. Please understand that news and information pertaining to COVID-19 is changing by the hour. This means, decisions affecting PUSD can and will change. We are doing our best to keep up, but we also appreciate some patience, grace, and flexibility as we convey the latest information to you as it develops. We hope this helps clear up some of the confusion around Spring Break. Again, remember that these dates are subject to change as we all deal with this unprecedented situation together.

March 16 - April 3: COVID-19 Emergency School Closures

April 6 - April 10: Back to School if conditions allow (However, with the situation so fluid and uncertain, emergency closures could be extended into this week)

April 6 - April 17: Valley Elementary School Spring Break

April 13 - April 17: PUSD Spring Break

This email is being sent to all PUSD families as well, to ensure everyone is on the same page.
